WILDCAT HUNT.—On Tuesday of last week Messrs. S. S. Lindy, B. C. Brown, A. W. Vorhes, of Lee, and Deacon Isaac (residence unknown) left for a wildcat hunt over in Vinton county. At night they arrived at an over-hanging rock near Vinton Furnace, where they camped. Early next morning the dogs started a wildcat and about seven o'clock treed it, when he was shot by the hunters. It was a male, weighed over thirty two pounds, and measured five feet from end of fore paw to end of hind paw. The next day the party killed another one. These animals are said to abound in that region and are destructive to sheep, having killed fifty or sixty within a few weeks. The storm that came up about that time drove the party to shelter, but they will soon make another raid upon these mischievous animals. *Athens Messenger, Dec. 5.*

The Presidential Campaign has already commenced, and every Democrat interested in securing the election of a Democratic President should subscribe for the Plain Dealer, which, standing upon the platform of the Constitution, advocating Equal Justice to all sections of our common country, the same Currency for the Bondholder that the people are compelled to receive, equality of Taxation and immediate Re-Union, will be no laggard in the great struggle for the ascendancy in 1868.

We have no traveling agents, and Democrats of Ohio, Indiana, Illinois and other States, who receive this Prospectus, will oblige us and further the cause by securing subscriptions for us.

In every District and Township some Democrat should appoint himself a committee of one to solicit subscriptions for the Plain Dealer, which carries the banner of the party in the very midst of the enemy stronghold. The Democracy of Ohio should stand by this paper, which champions their cause where most it needs defenders. It is highly important to the cause that a thoroughly Democratic paper should be liberally supported in the most important city in northern Ohio.

We invite Democrats everywhere, and Republicans who wish to see what Democrats have to say in behalf of their candidates, to subscribe for our paper.

SINGER'S

HAIR RESTORATIVE.

This preparation applied according to directions

Warranted to restore Gray Hair

to its original or natural color; it also acts upon GREY WHISKERS in the same manner.

It is not a DYE, and contains no coloring matter, nor does it contain any deleterious substance. It cleanses the scalp, promotes the growth and prevents the falling off of the hair; and as it imparts to the hair and whiskers a rich natural gloss, and has a pleasant fragrance is a very desirable article.
